Watch John's TEDx Talk

"ADHD as an Entrepreneur's Superpower" at TEDxSyracuseUniversity

Did you know that 62% of highly successful entrepreneurs have traits consistent with ADHD? Is this a coincidence, or is there more to the story? In his talk, In this fascinating talk, John Torrens uses research and his years of experience to show how this is no mere coincidence — ADHD can be a "entrepreneur's superpower."

Lightning in Bottle How Entrepreneurs Can Harness Their ADHD to Win

Get the book that readers describe as "compelling, insightful, and personal."

This book will help entrepreneurs, (or those who love them), discover how to harness their ADHD for maximum creativity, focus, and productivity, while learning how to manage the downsides and eliminate obstacles, so that they can achieve even more success.

About Dr. John Torrens

Dr. Torrens is an award-winning Professor of Entrepreneurial Practice and a three-time Inc. 5000 entrepreneur. He is a healthcare and education entrepreneur with 25 years of leading high-growth companies with experience in developing high-performing teams, raising capital, and both buy/sell side M&A. Dr. Torrens is a faculty member of the Syracuse University Whitman School of Management's Department of Entrepreneurship and Emerging Enterprises and President of Sprout Therapy Group. He has been an early-stage investor in cannabis companies since 2017. He is a frequent guest speaker and executive education instructor in the areas of entrepreneurship, strategy, and corporate innovation. Dr. Torrens is a TEDx speaker (ADHD as an Entrepreneur's Superpower), and author of the book Lightning in a Bottle: How Entrepreneurs Can Harness Their ADHD to Win. He is an active member of the Young Presidents Organization (YPO) and served in multiple volunteer leadership positions including a term on the International Board of Directors (2013-2015).
